Max:

The board of the Meeker Housing Authority asked me to express their thanks for the time you and Wayne took in coming to meet with them on Tuesday, December 15, 1980.

The board was impressed with your knowledge and experience in FHA processing, your ability to communicate with them, and your sensitivity to the Meeker condition.

They would like to work with your firm in the preparation for and construction of their proposed housing development.

I am enclosing a copy of the preliminary plans for your review and comments.

We shall be needing to set up meetings to discuss the project in greater detail.

Sincerely,

D. Blake Chambliss, AIA
