Dear Scott -

Just a note of thanks  
for such a fine job!

When we bought this house  
in 1988, the words about Rudd  
Construction were always positive -  
definitely 'The BEST' and you have  
certainly upheld this great reputation.  
Please send along our thanks to  
everyone else involved.

We do so appreciate all  
your efforts. It now looks perfect!

Sincerely

Dorey + Mike Kish
