Dear Max:

On behalf of the Board of Trustees of the Snowmass Chapel & Community Center, we would like to express our sincere appreciation for the smooth, professional construction of our building. Working with you and your employees has been most pleasant. All work progressed ahead of schedule, on budget, and we deeply appreciate your work to save monies in several areas.

In short, you are at the top of our list to recommend to everyone as being the best in the business.

Thanks to you, Mark, Larry, Don, etc., for a most rewarding building experience.

Sincerely,

A handwritten signature in cursive script, appearing to read "Judith A. Burwell".
